

## James River Kindergarten Objectives

We strive to maintain a safe, healthy and nurturing environment where the educational and developmental needs of the children are addressed. We want children to grow in their knowledge and relationship with Jesus, as well as academics.

### Curriculum

Our Kindergarten Curriculum is designed to meet or exceed any private school or public school requirements your child will need to enter 1<sup>st</sup> grade.

We know that all kids have different learning styles and we will address each learning style in the classroom.

Auditory learners (hearing/speaking)

Visual learners (seeing)

Tactile learners (hands on)

We also believe that teaching Bible stories and Scripture memorization are important for their development
